Introduction

Insurance Guide: A State-by-State Resource for Insurance and Waiver Support

Angelman Syndrome Foundation has generously allowed the PCDH19 Alliance to use and share this comprehensive guide to help families navigate the insurance process in their state. Each state has various options of Medicaid and Waivers, which can seem overwhelming and difficult. Our hope is that you find this guide useful and helpful as you try to advocate for your loved one with PCDH19 Epilepsy. Please note that Waiver wait times, websites, personal and funding can change regularly depending on the state and the agency that oversees Medicaid and various programs. Please reach out to us at any point if you need additional help with insurance in your state.

- To Apply for All Waivers:
 - Individuals who have a need for services should contact their local Human Services District/Authority in order to go through the eligibility determination process. Once a person is eligible for OCDD services, they may ask to be placed on the Developmental Disability Request for Services Registry (RFSR).
 - OCDD maintains a Developmental Disability Request for Services Registry (RFSR) of individuals who have a need for waiver services along with the date the person initially requested waiver services.
 - As each individual is added to the RFSR, the individual is screened to determine their urgency of need for services. An individual, who meets the eligibility criteria, is in the highest urgency priority category(s) being served based on funding, and has the earliest RFSR date, will be offered the next available OCDD waiver opportunity that meets their needs.
 - The application process does not begin until a waiver slot becomes available. At that time, medical and financial determinations will be completed simultaneously to verify that the person has a developmental disability and meets the financial and medical/psychological requirements for an Intermediate Care Facility for the Developmentally Disabled (ICF/DD).
